Welcome back!

summer to prepare for the new term; learning has been planned, and the classroom environments prepared including wonderful roleplay areas which the children are already making full use of!

develop as the term progresses.

Please do look at our website regularly, read newsletters and look at the website. These will all provide you with important dates and news of school events. We would love to see as many of you as possible at all our events throughout the year.

We now have more than 60 families drop off and pick up from school and I am outside at the end of most days to answer any queries you may have and say goodbye to the children. Some children

find the transition between home and school very challenging and I ask that all parents bring any resources they need to support them in keeping their children safe. Please do make sure you are with your child and supporting them in being safe in the car park as it is exceptionally busy. Should you require any help with this please speak to your class staff.

Please do not hesitate to contact us if you need any further information.

Kindest regards
Catriona Goldsmith

Dear Parents and Carers

Welcome to the new term and new school year at Palatine.

I do hope you and your families enjoyed the summer despite the weather! Staff have worked hard through the

It has been wonderful to visit the children in class this week as they make new friends and learn together. They have settled really well into their new classes and new routines and we look forward to working with you to enable your children to learn and

Staff News!

We would like to welcome four new teachers, Rachel Smith, Sealion Class, Nathan Bird, Giraffe Class, Sophie Loydell in Turtle Class, and Emma Crockett in Woodpecker Class.

Parking

Please can all parents note that parking on the school site is reserved for families of those whose children use wheelchairs or have limited mobility or behavioural needs that place them at significant risk. We currently have a school population of 125 which may rise further and the car park is very busy. Therefore we must limit access as indicated. Should you feel you meet the requirements listed above please contact the school office to give details of your car so we can ensure those who need it are accessing the spaces. Only those who have made this prior arrangement will be able to access spaces.

Volunteers

We would like to thank all of our wonderful volunteers who help out across the school in classrooms, swimming sessions and in the gardens. A special thank you to Louise Milward who spent a good deal of time during the holiday period making symbols which will help the children to read and know what is happening in their school day
