

BEST EVER NO-COOK PLAY DOUGH RECIPE

You need:

- 2 cups plain flour
- 2 tablespoons vegetable oil (baby oil and coconut oil work too)
- 1/2 cup salt
- 2 tablespoons cream of tartar (optional to help preserve playdough)
- 1 to 1.5 cups boiling water (adding in increments until it feels just right)
- food colouring (optional)
- few drops glycerine (optional for adding stretch and shine)

(If your child might eat it, don't add salt, cream of tartar or glycerine)

You can use pretty much anything as an extra resource to make playdough more fun! e.g. pasta, rice, lentils, pebbles, sticks, herbs, glitter, sequins, candles
