

Script for talking to children when someone has Covid-19

I have something

important to

tell you.

(Name) is

poorly.

(Name) has

got

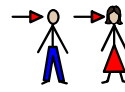

an illness

called

corona virus.

He/she is

feeling

hot

and has a

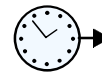

bad

cough.

(Name) is

going to be

in

hospital

for a while.

We

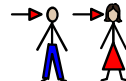

can't go

and

visit

him/her.

We

could

draw

a picture,

write

a letter

or

send

a

card

so

that

(name)

knows

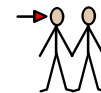

we

are

thinking about

them.

The doctors

and

nurses

are working

really

hard

to

help

(name)

feel

better

and

we

hope

that

he/she

will

be

well

again

soon.
