

I

can't go

to

school

today

The Coronavirus is a virus that

can

make

people

feel

poorly.

I can keep safe by washing my hands with soap and water.

I must make sure I wash between my fingers and

**20**

all over my hand. I must count to 20 whilst I

wash my hands. I can use hand sanitiser to clean my hands.

I can't go to school today. Someone I play with

has got coronavirus. This means I need to stay at

home.

I can learn and play at home.

I

might

miss

school

and

my

friends

and

grown ups.

I

might

be

cross

or

worried

or

sad.

This

is

ok.

I can

show

or

tell

a

grown up

how

I

am

feeling

and

they

can

help

me.

My

family

will

let

me

know

when

it

is time to

go back

to

school.
