

Covid-19

control measures

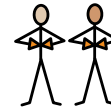

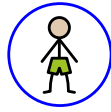

in

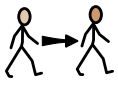

at

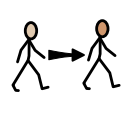

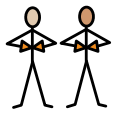

Palatine

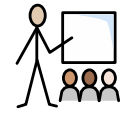

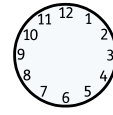

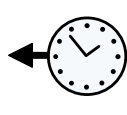

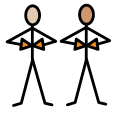

To help keep your son or daughter safe at school we do the

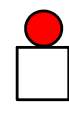

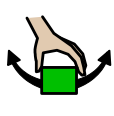

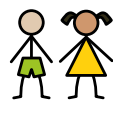

following:

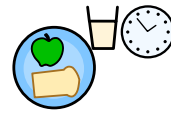

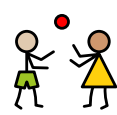

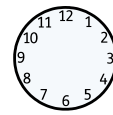

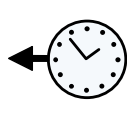

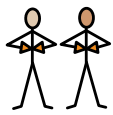

We follow government guidance

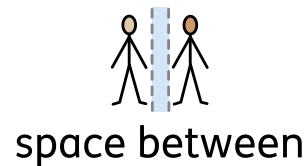

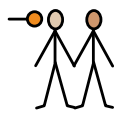

We have staggered arrival and departure times for different classes

Children use hand sanitiser on arrival and departure

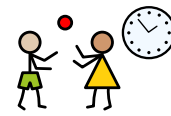

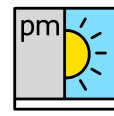

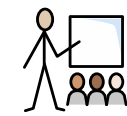

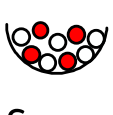

We have staggered play and lunchtimes. Some classes eat lunch

in their classrooms so there is more space between groups in the

dining hall.

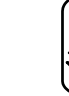

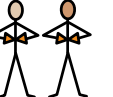

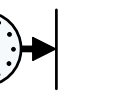

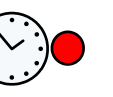

Some classes have an extra afternoon playtime

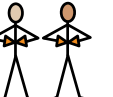

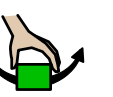

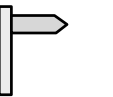

Children do not have to wear uniform

● We have bathrooms for different classes to use

● We have a one way system around the main building

● We have bins which are double bagged to put tissues in

● There are no big events like assemblies or family events

● Windows are opened in classes

● Staff wear face masks in busy areas, like corridors

● Staff take Lateral Flow Tests twice a week
