This allows us to ensure transition is as positive as possible for our young people as they leave primary provision. The programme involves taster sessions, practice sessions of different times of the day with Palatine staff and social opportunities with pupils from Oak Grove's other main feeder school, Herons Dale. We also coordinate visits from Oak Grove staff to our classes and they attend Pupil Progress Meetings / Feeding Forward meetings in the summer term. It is a highly individualised and well planned process.</p> <p>Pupils joining us in reception will have the opportunity to visit, receive a home visit and have a taster session prior to their September start. We work closely with families to ensure the move from part time to full time schooling is appropriate to the individual needs to the child.</p> <p>Pupils joining in other year groups will have sensitive, appropriate transition arrangements made depending upon their specific needs and circumstances.</p> |
